RE: Access to Public Records Request Form

Dr. Ramey,

The City of Wright City received your second Sunshine Law request on June 22, 2026, seeking access to public records related to the Magruder asphalt plant project. The City Clerk was absent June 19th, 2026 – June 25th, 2026 and unable to respond to the request during that time. Your request is set out below in italics with my responses to each in red.

*Following my letter earlier today, I'd like to add one item that falls within my original June 16 request: the records for the 5:00 p.m. **Special Meeting of June 11, 2026** — its **posted agenda/notice, minutes, and audio/video recording** — concerning the Comprehensive Street Plan firm interviews (CBB). **The approved minutes and posted agenda/notes from the June 11, 2026 Special Meeting are attached. There are no audio/video recording related to this request.***

If any such record does not exist, I respectfully ask the City to confirm that in writing. If this is treated as a new request, please assume payment is forthcoming — send the amount and I will remit it immediately so logging does not delay production. Electronic copies are preferred.

The cost associated with fulfilling your request is based on the time required for staff research and review. The total staff time incurred was 0.00 hours at a rate of \$31.13 per hour, resulting in a total cost of \$0.00. There are no copy fees associated with this request. Pursuant to Section 610.026, RSMo, the City requires payment of all applicable fees prior to the release of records. Payment may be made in person by cash or check or online through the City's website using the "Pay Fee Online" option. If payment is not received within ninety (90) days of the date of this letter, the City will consider this request withdrawn in accordance with Section 610.026, RSMo.

If you have any questions regarding this response, please feel free to contact my office.

Regards,

Abbie Ogborn
