City of Wright City,

636 Westwoods

Wright City, Missouri

Dear Aldermen:

I wish to appeal the Board of Aldermen's approval of the site plan for the asphalt manufacturing plant located along Roelker Road in Wright City, MO.

The grounds for the appeal are: (1) the procedure used for the approval of the site plan does not comply with the Municipal Code of Wright City, Missouri; and (2) the use of land for an asphalt manufacturing plant is not an authorized use in a M-1 zoning district.

Sincerely,

Vicki Zuhone 7-10-2026
